BLOOM, United States Magistrate Judge:

By letter dated October 23, 2009, plaintiff states he has been waiting five months for a decision on his case. See docket entry 53. Plaintiff believes that this is an unusual amount of time. Although the Court makes every effort to decide motions expeditiously, because of the high volume of cases in this district, many cases have pending motions for more than five months. The Court assures plaintiff that he will be notified when a decision is made on the motion in his case.

SO ORDERED.
